# MISSILE 1976

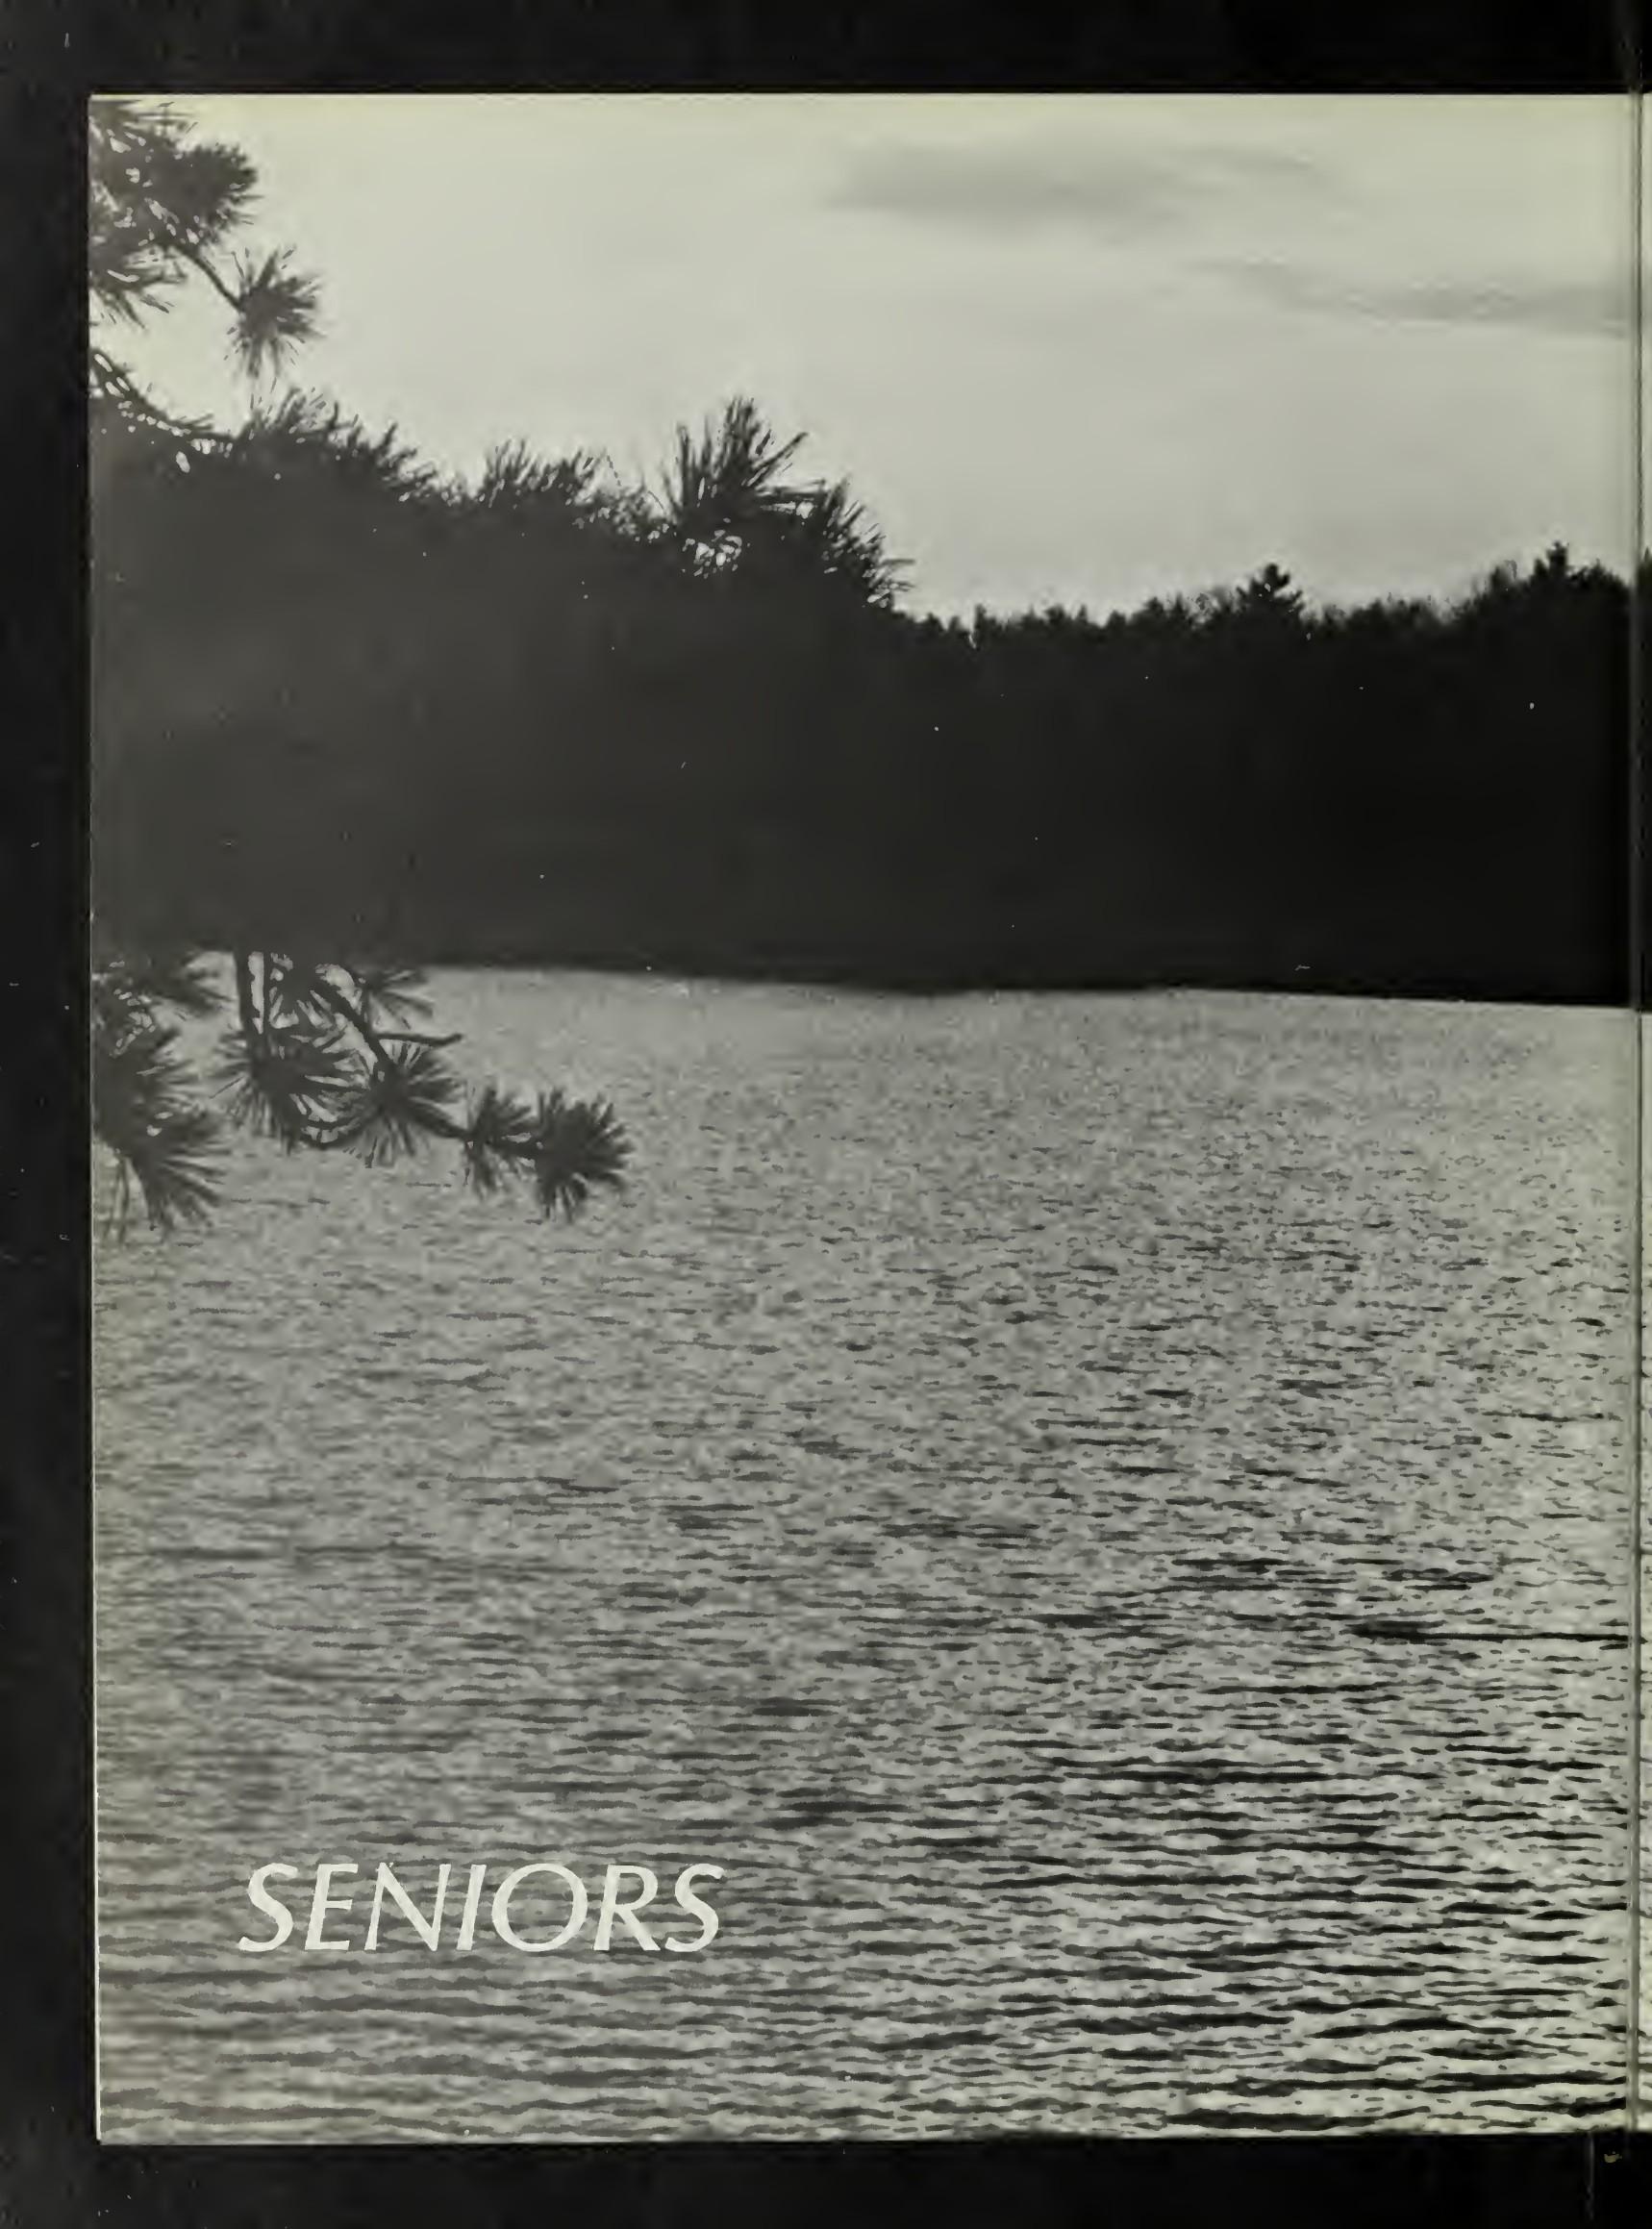

This book is dedicated to Mr. Patuleia, the senior class advisor, whose help and guidance during the past four years are greatly appreciated. His time and devotion will be warmly remembered.

"Too much sanity  
May be madness,  
And the maddest of all,  
To see life as it is  
And not  
As it should be."

Special thanks from the staff to the people of the Burlington Studio of Photography for their efficiency and co-operation.

We would like to express our gratitude and appreciation to Mr. McCauley for his great patience and supportive assistance in helping us make this yearbook possible. It has been a fun and worthwhile experience for everyone on the staff — we hope Mr. McCauley enjoyed it as much as we did.

A black and white photograph of a forested mountain landscape. In the foreground, a large evergreen tree stands prominently. Behind it, a dense forest covers a hillside. In the background, majestic snow-capped mountains rise against a cloudy sky.

The BHS Girls' Swim Team finished first for the second year in both the Eastern Massachusetts Girls Swim League Championship and in the Massachusetts State Championships.

Outstanding individual performances in the State meet were turned in by Sabrina Cronen with two record swims in the 200 yd. freestyle and in the 500 yd. freestyle events, and by Marie Corbisiero, who won the 100 yd. freestyle in a new record time.

The unbeatable 200 yd. medley relay team of Sabrina Cronen, Dotty Sparks, Marie Corbisiero, and Sue Bridge also set a new record in winning this contest. At this meet, Dotty Sparks earned All-American High School Team status in the breaststroke event.

The team had a successful season of seven meets with a 5-1-1 record. The most exciting duel was waged with arch rival Wayland, the league champions, which ended in a tie with a surprising win in the last event by Bedford's 400 yd. Freestyle Relay Team of Carol Collins, Sue Moll, Linda Taylor, and Lauri Welsh.

With the team's past record of success, Coach Sparks is hoping for another winning team next year.

Seniors: Gail Collins, Sue Moll, Vickie Weisz, Dotty Sparks, Cathy Cuthbert.

Mr. Keough — Superintendent of Schools

#### TO THE CLASS OF 1976 ...

As you leave the Bedford Public Schools and seek out your place in industry or in the professions, we urge you to look back upon all that has been good in your educational program and hold it as a memory. Also never forget what perhaps you might feel was lacking in your education so that you might allow your influence in the future to correct such practices.

Public education is an American heritage which you will be called upon as citizens to maintain and improve. Please take every opportunity, as adults, to influence not only the American school system but all branches of the American society with which you might come in contact.

Best wishes for your future.

William F. Keough  
Superintendent of Schools

#### TO THE CLASS OF 1976

For all of you, this year marks the end of twelve years of effort by your parents, teachers and you. Until now you have been watched, guided, and cared for. Now you must enter a world where you make your own decisions. The success of future events in your lives will be based on how well you make those decisions. Your parents and teachers have given you instructions and experience in thinking for yourselves.

Now it is up to you to develop the confidence in yourselves to make those things which have been given you work for you.
